INTRODUCTION

The following are responses to comments received by the Office of Environmental Health Hazard Assessment (OEHHHA) on the proposed public health goal (PHG) technical support document for 1,1-dichloroethylene. The following are the only comments that were received on this chemical.

These comments and responses are provided in the spirit of the open dialogue among scientists that is part of the process under Health and Safety Code Section 57003. For further information about the PHG process or to obtain copies of PHG documents, visit the OEHHHA web site at www.oehha.org. OEHHHA may also be contacted at:
